Dream Big

Dream machine owners are welcome to join in; just register to bring your own machine and sew along. There is always something new to see and learn.

MAY 18TH & 19TH

Sew Your Dreams 2

Exciting Embroidery/Sewing Event.

Join Wayside Sewing as we welcome Loui Carney and treat yourself! Experience the features this machine has to offer hands-on **Dream BIG**.

Learn all about the Dream2's industry-leading features and have an opportunity to actually push the buttons and make your own project. You will work in My Design Center and create your own custom bag using the newly upgraded features, and see how the InnovEye2 technology works *for* you and makes your embroidery experience so much fun. Once your embroidery is completed, you will then use the sewing features on this machine to put it all together all the while, learning new tips and tricks from our Brother Educator, Louis Carney.

Come Play! Enjoy the Trunk Show!

Go home with your very own swag bag!
